**(34 registered – 26 commercial)**

**3 BULLS**, including Lord Ben Jr. Priam, dark roan May two-year-old son of imported Lawton Priam, one of the shortest legged, thickest bodied bulls of the breed today and owned by Ben Studer, Wesley, Iowa. This young bull is one of the sale attractions, good headed, thick, deep bodied and very short legged and out of a dam by Naemoor Monitor by Craggleton Prince Bob. Two strong yearling sons of Perfect Monitor 2nd, the bull we purchased in the 1949 Chicago International sale that is a double grandson of the noted Craggleton Perfect.

**31 REGISTERED FEMALES**, 10 outstanding open heifers, yearlings, just ready to breed, half of these are sired by Haigler Chief Consul sire of many of the winning show steers fed by Oklahoma 4-H and FFA members and purchased from the Bowen herd. The remainder are daughters of Perfect Monitor 2d. 5 cows with calves at foot including granddaughters of Supreme Goldfinder, Marellbar Obligation, & Divide Barrister. 16 bred cows and heifers, featuring the get and services of the above two herd sires along with that of ROYAL LEADER'S BARONET, by Edellyn Royal Leader 19th and out of an imported dam by Beauford Boxer, and of BATTLESHIP WHIMPLE, by Bapton Profit and out of a dam by Bapton Battleship.

**26 HEAD OF COMMERCIAL STEER AND HEIFER CALVES**, all sired by the above registered bulls and most of them out of registered cows. Many of these calves are from the same dams and by the same sires as the champion Shorthorn steer at Enid in 1951 and other steers that placed high at the Oklahoma and Tulsa State Fairs, Kansas City American Royal and Chicago International Livestock Shows.

Here is a top set of registered and commercial Shorthorns featuring the most popular bloodlines in the breed and including animals carefully selected as to modern type, conformation and quality. Everything sells T. B. and Bangs tested and fully guaranteed.

Lunch will be served at the farm. It will pay you to plan now to attend this production sale of this excellent northwest Kansas Shorthorn herd, one of the largest in the state.

## General Information

**LOCATION** – the sale will be held at the farm in a heated pavilion, located six miles south and two and a half west of Hoxie, Kansas, or 11 miles north of Highway No. 40 on Highway No. 23. Excellent hotel and motel facilities available at Hoxie.

**TERMS** – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** – All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS** – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Allan C. Atlaston or Ted Aegerter of American Shorthorn Breeders' Association, Chicago, Illinois; to the auctioneer, Ernie Sherlock, St. Francis, Kansas; or to Lot Taylor, Sec., Kansas Shorthorn Breeders' Association, Manhattan, Kans.

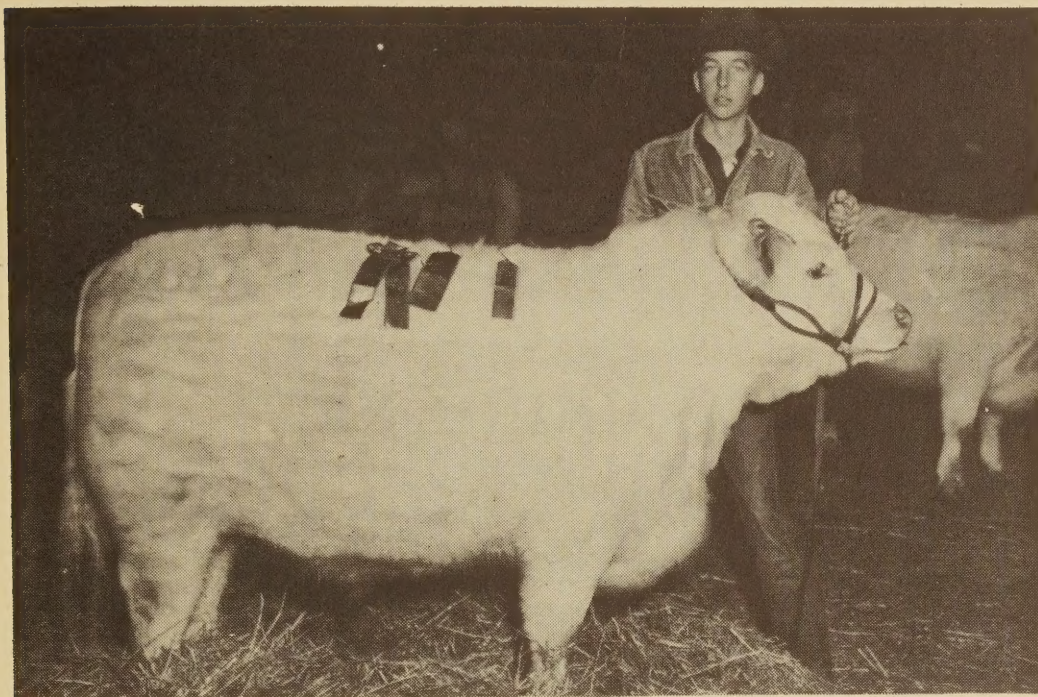

Proof of the outstanding ability of Bowen Bros. Shorthorns to get the job done has been seen in their performance in the hands of their many customers. The record of Bowen Bros. bred steers that have been shown by Oklahoma, Kansas and Nebraska 4-H and FFA members has been most outstanding. Purebred and commercial Shorthorn breeders have also used their well bred, modern type cattle with success. Only a few years ago the reserve champion female at the Kansas State show and sale had been bred in this herd and was purchased by Sni-A-Bar Farms, Grain Valley, Missouri. Bill Thomas, Colorado Springs, Colorado, commercial Shorthorn breeder reports 68 calves in one calf crop sired by one Bowen Bros. bred bull. It is this kind of performance that will make you want to attend this sale on November 21st.
